## RUDNEY SOLOMON COHEN & FELZER PC

“Mike is always available at anytime of the day or weekend to answer any questions or respond to any thoughts that I might have (and I have many). Being a four-time recipient of the Inc. 500 and Inc. 5000 award, I would be remiss not to share the credit for the success of my business with Mike and his team.” – **LARRY BERK, CEO, Berk Wiper Converting & Packaging, LLC**

Rudney Solomon Cohen & Felzer, PC is a full service accounting firm with offices located in Broomall, Pennsylvania. We serve clients across all industry sectors in the Greater Philadelphia region and throughout the United States. Built on a solid foundation of technical expertise, personalized service and integrity our firm has been proudly serving our clients for over 80 years.

Our services encompass nearly every aspect of financial life including all matters of accounting and taxation, IRS problem resolution, estates and trusts, business formation, financial planning and investment, real estate, and business acquisition and sales.

It is our philosophy that meaningful accounting support is the result of high quality, technical expertise combined with ongoing, responsive communication with our clients. Our focus is on gaining an in depth knowledge of our client’s business and industry sector and creating individually tailored services. We are committed to establishing long term relationships between our accounting professionals and our clients and making our clients successful and more competitive.

### **Acknowledgements:**

We would like to thank Berk Wiper for nominating our firm as a SmartCEO’s SmartCPA Reader’s Choice selection. It is our great pleasure to provide accounting, tax and consulting services to the leadership team of Berk Wiper as they continue to be recognized as one of the fastest growing wiper converters in the country. We also thank our growing list of valued clientele with whom we have forged long standing friendships and relationships over the years.
